The meeting was held for the purpose of holding a hearing on a resolution oriering Frank H. Hempstead and Mary Gernon to lay new walks in front of their properties on Washington street and to have the walks completed by November 21st. Mr. Hempstead protested against the order with the result that the time limit was extended to April 15th and the width of the walk fixed at 6 feet.

Time Limit Extended

Alderman Raymond amended the Washington street sidewalk resolution changing the time limit from November 21st to April 15 and designating the width of the walk as six feet. Aderman Raymond said that any man who intends to build a house at present prices should be given all the encouragement Alderman Marray said in his opinion it

isn't good policy to build a sidewalk be-fore the house. "As I understand it, you intend to build in the spring? asked Alderman Peale of Mr. Hempstead.

"I hope to," said Mr. Hempstead. The amendment was then adopted.

Lafayette Street Walks Mayor Lerou asked the public works committee what opinion is of sidewolks on the easterly side of Lafayette street. I shink the intent of the order should be carried out, said Alderman Raymond,

chairman of the committee. As chairman will you see that the order is carried out? asked the mayor. Yes, said Alderman Raymond. The alderman went on to say that he believed the street commissioner should consult with the committee before he starts to build the walks on Lafayette street.
